PÊCULIAR

Apparently the left and right sides of the brain denote rationale and whimsy. Sometimes we prefer safe and sometimes adventure. Maybe the tongue is similar. Lick here and see...

'16 The Other Right 'Fawn' Chardonnay Adelaide Hills, SA 76

This little one is going through a great journey. She's into her 4th year and she's getting more mature each time. Missed the old-school Chardonnay? So did Alex & Galit, the team behind The Other Right wines. Thankfully, Fawn turned out that way this year. Stylistically, it's the 90's; rich, full, buttery, but still lively and playful. This drop has had no additions of any kind during the winemaking process, she's also unfinned and unfiltered. Simply and unapologetically a rich and toasty style with a hint of ripe pineapple, yet with a bright fresh finish - yum!

Chevalier Elderflower Saison

Bridge Road Brewers, [VIC 750ml]_29

The legends at Bridge Road Brewers return with another round of this beautiful Saison. Elderflowers are in abundance around Beechworth so get involved.

The trademark Saison characters are there; dry, tart and yeasty. But we are also treated to funky floral notes as well. A real treat to share with friends

Orange Sherbert Berliner Weisse

Boatrockers, VIC (500ml Bottle)_34

Sherrrrrrrrt. Triple fermented Berliner Weisse aged in Chardonnay barrels with Brettanomyces. Not to mention a little orange blossom. Citrusy, cloudy and sour. Taking their inspiration from the sour beers of Berlin, Boatrockers once again smashes it. You should too.
